HOUSE OF **FULL BODY** VITRIFIED TILES.

Collective Creation

We believe in next-gen classics and not temporary whims. Therefore, we bring you an idea that is a true lifestyle in itself – OUR FULL BODY TILES. The full body tiles come in the size 60x60cm and are designed to meet the latest architecture and interior designer needs. They are designed using natural raw materials that are sustainable enough and long-lasting. The different installation possibilities allow the material to blend in with its surrounding landscape.

Modern concepts develop in a huge range of finishes, textures, and colors to suit every taste. The products are curated to make people happy, embrace comfort and seek personal identity. One can feel the joy of living in a home with the OUR FULL BODY TILES.

Our products are non porous (due to their high quality raw materials, stringent production parameters and state of the art technology), hence any dust or deposited waste cannot penetrate the surface. For most cases only a damp cloth is sufficient for cleaning. Regular cleaning highlights the aesthetic features of the surface and gives it exceptional shine. For highly aggressive cleaning caused by some common food and substances follow the table below.
